

761—162.1(83GA,SF376) Purpose and source of funds. This chapter implements 2009 Iowa Acts, Senate File 376, section 34, which creates a bridge safety fund. 2009 Iowa Acts, Senate File 376, section 13, subsection 6, appropriates \$50 million to the department from tax-exempt revenue bonds to be used for infrastructure projects relating to functionally obsolete and structurally deficient bridges on the state's primary road system.
